About IMPACT 15

IMPACT 15 is the fourth biennial international theatre festival presented by MT Space in Waterloo Region. The festival will be held from September 22 to 27, 2015.

The lineup features theatre ranging from artists who are reconnecting with their ancestry to productions using heavy projections and new technology. This year's festival will connect us to global experiences while reminding us of the importance of human connection. Productions from Morocco, Iraq and Australia, theatre and dance from Halifax, Toronto, Edmonton, Vancouver and Whitehorse, and locally born and bred work, will be featured at IMPACT 15.

The festival will bring 100 artists, 100 industry professionals, 100 volunteers, and several thousand theatre goers from across Canada to downtown Kitchener in an environment of collaboration and cultural exchange.
